

**Please pray for Vanessa Muza Teskey Hawkins, USAFA 2006.**

**Vanessa is battling Hodgkin's Lymphoma and leukemia and numerous other cancerous tumors.**

**Vanessa married Captain Michael Hawkins, Air Force ROTC (University of Virginia) in 2008. Two days before Mike deployed to Qatar in May 2009, Vanessa was diagnosed with Hodgkin's. She spent last summer getting chemotherapy and radiation treatments in Wisconsin with her parents and sisters, while Mike was overseas.**

**In November, Mike returned and they moved back to Columbus, MS. Unfortunately, the cancer was still there and they chose experimental treatment for Vanessa. She started this treatment out in Fairfax, VA. At Easter, Mike was able to move to Virginia and start work at NRO. In May this year, they won a "Dream Wedding Giveaway" in San Francisco, and the wedding and their story was on Armed Forces network.**

**This summer, the other tumors have occurred and Vanessa is still getting extensive experimental treatments. Vanessa is very strong, which she attributes to her time spent at the Air Force Academy. Please pray for Vanessa and Mike.**

**Thank you.**

**Paul and Barb Muza Reed**

**Proud Parents of Vanessa USAFA 2006, Amie UW-Oshkosh 2010, Katie Age 17 and Maddy age 14**
